

Jeannetta Collier

Jeannetta Collier branded as “The Divine Master of Mind-Set Transformation”, is a nationally known Speaker, Published Author, Real Estate Expert, and Entrepreneur. As a multi-level business woman my mission is to bring together entrepreneurs, start-ups and business professionals to network with other professionals on the path of growing and leveraging their business through collaboration, networking and partnerships

My mission is to “**Get Your Mind-Set Right!**”

With over 25 years of experience as an entrepreneur with several successful businesses under her belt. As a speaker and coach, Jeannetta’s goals are to empower, encourage, and inspire individuals to build themselves through restoration. She strives to help them unharness their power within and to understand that they are more than the air they breathe. Jeannetta is the supreme speaker for audiences at all levels of businesses, as well as colleges, conferences, workshops, luncheons, churches, politics, board meetings, and more.

“My personal mission is to break the invisible barrier, not just the corporate glass ceiling, but also our own personal glass ceiling. I understand the power of personal motivation and empowerment; to breakthrough your own barriers to uncover what lies within all of us”. – Jeannetta Collier
